

Make-up Questionnaire

Please answer the following questions to help me to build a picture of the style you're looking for:

1. What is your usual makeup routine - little or no makeup, makeup but only on occasion, full makeup every day?
2. What makeup products do you normally use?
3. How would you describe your skin type - normal, prone to blemishes, dry/fine lines?
4. Do you suffer from any known skin allergies?
5. How would you describe your skin tone - fair, olive complexion, tanned, naturally dark?
6. What is your colour theme for your day - dress colour, colour of flowers and maids dresses?

If you have any specific likes/dislikes please let me know.

Of course the main focus of attention will be on you but please let me know your bridesmaid/guests makeup preferences too.

I usually keep guests makeup simpler but with the same overall look that complements the bride.

Please feel free to browse through my makeup portfolio on our website www.vandacreativemoments.co.uk for some ideas.

I have a Bridal Make-up Gallery and a Make-up portfolio section under Make-up Services.

I look forward to hearing from you and please don't hesitate to ask if you have any queries or requests.

Best wishes

Valerie
